## CRICKET SEASON REVIEW

### Club

In season 2008-09, in the HDCA the Club fielded 4 senior teams in A, B, C and D grades as well as 8 junior teams. Junior teams fielded were one team in the Under 17's, two Under 15's, two Under 13's and three Under 11 Kookaburra teams. In 2008-09 season the HDCA moved to odd junior age groups from even previously and our junior team numbers increased by one team over previous season which was pleasing.

### Senior

69 players represented the Club in senior grades during the season down slightly from 72 previous year. There were 17 (25%) players who represented the Club in A Grade, 26 (38%) in B Grade, 32 (46%) in C Grade and 27 (39%) in D Grade. New players to represent the Club in senior grades were: James Alexandrov, Stephen Tindale, Arjun Aurora, Steven Stancombe, Jordan Samad, Nicholas Bates, Michael Tindale, Tyron Geoghegan, Ray Paine, Jed Place

### Junior

106 players represented the Club in junior grades during the season. There were 42 (40%) players in three Under 11 Kookaburras sides, 24 (23%) players in two Under 13 sides, 25 (24%) players in two Under 15 sides and 15 (14%) in one Under 17 side.

## Team Performances

	M. Brown	52*	

## PRESIDENT'S REPORT

At the start of the season it was agreed that this year was to be all about development of future A-Grade players and giving those developing players as much experience as possible at as high a level as possible. Winning A-Grade premiership was seen as at least 2-3 years away. For our A-Grade team to make both the 1-day and 2-day Grand Finals and to win the coveted 2-day premiership (ECW Jack Shield) for the first time since 2001-02 was an amazing effort from all those who played in A-Grade.

Add to that an inexperienced B-Grade team who made the finals, a wonderful premiership win by our C-Grade team with mostly a bunch of old-timers and the gutsy performance of the players who made the semi-finals of the State-wide 20/20 competition it has been a fantastic year for all those who have played senior cricket this year.

The Club success was added to on HDCA Presentation Night when **Brent O'Connor** was awarded his third Kevin Brady medal as best player in HDCA A-Grade. Whilst team success is most important it is also important that the great performances of individuals are recognised and to become a "triple-Kevin Brady" medallist is a tribute to Ocka's outstanding performances for Banyule over the years. I would also like to congratulate **Paul McMurray (Rowdy)** and **Jeff Wilson (Joffa)** who were named in the HDCA Presidents XI again. To have 3 great players such as Ocka, Rowdy and Joff at the Club allows us the opportunity to remain competitive in A-Grade whilst developing our next group of A-Grade stars.

Thanks must go to our **Senior Coaching panel**, Darren Butterworth (Butters), Ocka and Daniel Barnes (DLo) who combined, ensured that training was an enjoyable place to be and provided excellent leadership after taking over from Joffa early in the season. Unfortunately Jeff had to relinquish the coaching and captaincy role due to personal circumstances but his work early in the season helped set the scene for the senior players and the direction the club took on developing our own talent. Further his continued leadership and performance on-field was a key factor in winning the A-Grade flag.

Thank you also goes to the **Senior Captains** Brent O'Connor / Jeff Wilson (A-Grade), Michael Johnson (B-Grade), Scott Butler (C-Grade) and Graham Clapton (D-Grade) for their work as the senior leadership group and for all their work including looking after the cricket kits, putting up shade tents, cleaning-up, attending the Thursday night selection meetings etc. Congratulations and thank you to you all.

Our Juniors did not have quite the success we have experienced in the past but we had 8 junior teams plus our first Milo "In-2-Cricket" group. Plenty of our Junior players represented the HDCA in 2008-09 and there were some really good performances in what was a season heavily interrupted by the weather.

Thank you to the best **Junior Manager** in the HDCA, Geoff Place (Jed) who combined beautifully his role as our Junior Manager with his role as HDCA Junior coordinator. Once the last of the Place boys leave the Junior ranks we may have some really big shoes to fill.

Thanks also go to all the **Junior coaches** who volunteered some much time to training the junior players and managing match days. A present is provided to the Junior coaches each year however this is only a small token of the Club's appreciation for the work they do.

I would particularly like to thank **Brad Bowler** who coordinated and ran our first Milo "In-2-Cricket" program. Brad did a lot of work to organise the Saturday morning program and it was great to see the girls and boys of some of our former champs such as Greg Anderson, Marty Veal, Andrew Parry and Paul Carroll getting their first taste of cricket at Banyule.

Importantly I want to recognise the contribution of the **Sponsors** of the Banyule Cricket Club in 2008-09. Thankfully, we have been able to maintain long-term relationships with our sponsors and we hope that their sponsorship of the Club has also provided them with some tangible benefits. In this day-and-age, our sponsors are critical to the financial well-being of the Club and we will continue to encourage our members to support and recommend our sponsors whenever possible.

So thank you to all our sponsors particularly our major sponsors:

- Hocking Stuart
- Mantello Holden
- Beck's Bedding
- Brad Fox Financial Services; and
- The Tower Hotel

Of course, with any sporting club you need plenty of help to ensure everything that needs to be done actually is done. The **Banyule Cricket Club Committee** are responsible for attending the monthly committee meetings, looking after the payment of suppliers and collecting the income, organising sponsorship and looking after our sponsors, arranging for the purchase of our cricket equipment, liaising with the Council where necessary, organising the social and fundraising events, attending HDCA events and meetings, coordinating the match statistics and club statistics, for being on coach selection committees, for managing the junior and Milo program, emptying the bins and of course for looking after the management of the bar and canteen. Thank you to the whole committee for their work this year and their dedication to the Banyule Cricket Club

Thank you also to all the **non-committee members** who helped many times this year including Greg Anderson, Matty O'Ryan, Kylie Phillips, John Veal, Bill Barnes, Ralph Kernaghan, Ashlie Barnes and Brian Smith.

Finally, thank you to all the **senior and junior members** who played this year and to their **families and friends** who have been involved with the Club in 2009-10. Hopefully you can join us again in 2009-10.

Marty Phillips  
President

## TREASURER'S REPORT

TO THE MEMBERS OF THE BANYULE CRICKET CLUB INC.

The final result for the year ended 30 April 2009 was a profit of \$2,042 (\$3,321 profit 07-08). Another strong performance for the club following a successful 07-08.

Key items affecting the result for 08-09 are as follows:

- Increase in membership levels. This is mainly due to our successful junior program.
- This season we had a decrease in sponsorship of the club. While our corporate sponsorship continued to be successful, we had a significant drop in player sponsors.
- Less social functions and lower attendances this season saw a significant drop in fundraising.
- Bar/Canteen turnover increased on last season. This is mainly due to the home finals in A Grade.
- Cleaning costs increased on last season due to requirement of extra cleaning and cleaning supplies.
- On line annual reports provided savings to the club.

Due to a decrease in interest rates, we have been able to reduce the term of the loan with the council by keeping the repayments at the same level. This has seen a decrease of 7 months from October 2011 to March 2011, representing a saving of \$2,121 to the club. The committee also purchased a new scoreboard for the High School oval, slips cradle and rebound stump to improve training quality.

Once again the social scene was lower than expected. This was impacted by the amount of cricket being played, which reduced the amount of time available to have functions. Next year should see more time available for functions which should see an increase in this area.

The committee investigated the opportunity to upgrade the nets this season, unfortunately the council had already committed their funds to other facilities. We will revisit this again next season. We will also need to upgrade the pitch on the high school oval in the next few seasons.

Once again thank you to our sponsors for their continued support of the club. It certainly makes my job easier having the long term sponsors we do. Thanks also to Daniel Barnes for organising all the sponsors, promoting their businesses and keeping contact with them all.

This year we moved to a new bar supplier, the Tower Hotel, who also became a sponsor. This turned out to be a huge success in what will hopefully be a long term deal. Thanks to Scott Butler for organising the bar and canteen stock, general upkeep of the bar and usually locking up the club. The success of the Bar/Canteen is due to all the hard work you put in. Thanks also to his Saturday helpers, Ando, Plugga, John Veal, Ash Barnes and Brian Smith.

A tough job organising the social scene for the club this season, thanks to Michael Johnson for organising this. Plenty of extra cricket to time away for functions, but the functions we did have we well run and very enjoyable.

Again this season Geoff Place did a stellar job organising the juniors. Jed did all the collection of membership, sale of clothing and banking. All I had to do was update my data with the spreadsheet Jed put together, making it very easy for me. Thanks very much Jed.

Thanks to Ryan Hartnett who collected membership while I was in selection this season. Thanks also to Secretary Phil Barnes for all his work this season. Phil organises quite a lot around the club and always keeps me informed of what's going on so I get no surprises!

Lastly thanks once again to Martin Phillips for all his help during the season. It's handy having a former treasurer as president as he always calls me to ask if we can afford to spend money before he spends it. It takes a lot of work to run the club and Marty does a great job organising and putting it all together. Hopefully next year you don't fold and have too many meetings!

All in all another good season on and off the field, which will keep us going for many premierships to come. Thanks to all the members, family and friends of the BCC for continuing to make us the great club that we are.

Go Bears

Darren Butterworth

Treasurer

### **2. Loan Repayment**

Loan repayment is to the Banyule City Council for the renovations to the Merv Anderson Pavilion. These costs started in November 06 and will continue until April 2011.

## **COACHES REPORT**

With the disappointment of the previous season of no premierships and only 2 of the senior sides making finals, the aim of the coaching panel this season was to increase competitiveness in all grades and look to the future of the club by giving opportunities to the younger members of the club. So to end the season with an A Grade premiership, C Grade premiership, Pilkington Shield, Butterworth Shield, A Grade One Day Comp runner up and Semi Finalist of the VB Twenty20 competition completely exceeded expectations. The performance of B Grade going from just avoiding relegation to making the finals was also a fantastic result for the club. A remarkable achievement considering the amount of young players that played in that grade, during one game 7 players in the side were under 20.

The most pleasing part of the season for the coaching panel was the performance of the under 23's of the club. Throughout this season we had 9 players under 23 play in A Grade, a further 8 play in B Grade, another 6 play in C Grade and 5 in D Grade. Some of these also represented the club in under 17, under 15 and under 13 level. To have a total of 28 players under the age of 23 representing the club at senior level is a fantastic sign for the future of the club. It's great to see them not only playing, but making valuable contributions during the season as well. Hopefully the experience they received this year will give them confidence to be successful players for the club for many years to come.

I'd like to congratulate and thank the members of the C Grade premiership team. Without that core group of 7 getting together we probably wouldn't have been able to field our 4<sup>th</sup> team. Not having that extra team would have been detrimental to the development of some of our junior players, and we probably wouldn't have won the premiership. Hopefully you all enjoyed it enough to go around another season.

I'd like to thank all the players who represented the club in A Grade this season, with the amount of cricket we played throughout the season it seemed as if we were living together at times but at no stage did the team harmony drop off. We played an amazing 21 games of cricket for the season and at all times and in all competitions behaved exemplary in both victory and defeat, on and off the field. It was a pleasure to play with you all through the excitement of winning the Twenty20 games, coming so agonisingly close to playing at the "G" and of course the premiership! Congratulations to the 6 players who played in their 1<sup>st</sup> A Grade premiership also.

Congratulations to all the trophy winners this season, your individual awards are a reflection of your fantastic seasons and, in most cases, hard work on the training track.

A few thank you's for the season:

- To the helpers at training Skull and Ralphy, at times kicking things off and organising batters and bowlers was most appreciated.
- Thanks to Marty and the committee for the opportunity to run the club I have spent most of my life at. To be on the board as a premiership coach is a tremendous honour and I thank you all very much.
- To the captains Michael Johnson, Scott Butler and Graham Clapton. Selection for the most part was easily done over the email, just the last couple of players each week were a test. Thanks for your support and patience throughout the season. Especially for the phone calls late Friday night and early Saturday morning to organise players.
- Special thanks to Graham for going down to the under 17's and talking them in to filling in for the 4ths most weeks. It was always his team affected by people pulling out so his efforts were greatly appreciated.
- To all the retiree's who gave up a Saturday afternoon on the decking and filled in throughout the season, without you we would have had to forfeit games especially after Christmas when we had between 10 and 18 players unavailable. Special mention to Geoff Place who would receive a call from me most Saturday mornings in the hope he could fill in. He ended up playing more games than some full time players, including his first game with youngest son Jed.
- Congratulations to the new retiree's on their service with the club. D Grade won't be the same with Graham and Ralph each week, time for Feroze and Craig to take over?
- Thanks to Jeff Wilson for laying the platform that we built our season on. Unfortunately I didn't take over on the best of circumstances, but your help with individual tuition and organising the Lawn Bowls night was much appreciated.
- To assistant coach Daniel Barnes. Looking after training on Tuesday's, assisting on Thursday's and a regular contact on Thursday and Friday to find juniors to fill in. As well as your thoughts on selection and the general running of coaching the club. Your assistance and contribution towards the success of the club can not be underestimated.
- Assistant coach and A Grade captain Brent O'Connor. We spent an enormous amount of time talking about cricket this season. Planning training, selection and game plans for Saturday definitely paid off. The amount of work you did away from the club planning the various forms of the game weren't seen by many people, but it was definitely the catalyst for our success. A fantastic captain and leader, always backing up what you said and leading the way for the team. A perfect example for the young players of the club to follow. The Kevin Brady medal, and club batting and bowling trophies backs up what a fantastic season you had. On behalf of the A Grade players I thank you for the competitive but enjoyable style of cricket you promote. Personally I thank you for all your help this season, it definitely wouldn't have been as enjoyable without your help.

- Finally a huge thank you to my wife Kym. When I took over as coach at round 2, I said it would mean a bit more training and that's about it. Phone calls at 11:30 on Friday nights, 8:00 on Saturday mornings, selection on Sunday nights at Brent's were probably not what you were expecting. As well as the treasurer's duties it was a busy season. Thanks for your understanding and patience.

Congratulations to everyone at the club for the amazing season we had, and thanks for your support this season I thoroughly enjoyed it. Good luck to all next season and make sure you put your full support behind the new coach the committee appoints.

Go Bears

Darren Butterworth – Coach 2008/2009

## FIRST GRADE REPORT

THE YEAR OF THE CRAZY BEAR

Well what can I say! Let's start with this

A Grade premiership.

Runners Up One day final

Semi final in the Victorian 20/20/competition.

The season didn't start as well as we hoped with a crushing defeat to the hands of heilderberg at home. We did however have 5 young players in our side who in total have only played 6 A grade games between them. Winning a flag isn't easy and when one comes along there is always a turning point in the season which you reflect back on. This was it. We traveled to Chelsworth to face east Ivanhoe in a two day game and like always loss the toss and we bowled first. East Ivanhoe made 255 and we were 3 for 11 overnight and in serious trouble. All batsmen worked hard during the week and remained positive to chase down the runs. We started well on day 2, Pins and rowdy progressed the score to 65 before both went out in consecutive overs which meant we were 5 for 65 than a short time later 7 for 120 and wasn't looking good for the traveling bears. Enter DLO his first scoring shot wasn't the best though a drive over 2<sup>nd</sup> slip and than a loft drive which fell between mid off, mid on and the bowler and I thought to myself its time to have a crack and see what eventuates. We moved the score along to 184 when we again lost 2 wickets in an over and were in trouble at 9 for 184 still needing 70 to win. In comes Scott Clapton well it looked like Ando was batting out there padding balls away driving through covers how easy is this. Still needing around 40 to win Dlo thought hang on Scotty this is my show and Dlo brought up his fifty not long after and than hit the winning runs with probably the shot of the game. Scott and Dlo finished with a record partnership and one which will be talked about for a while especially DLO.

We than won our next 9 games and had one washout before we lost against Rosanna in a one day game on a Sunday. We finished on top of the one day ladder which was a superb effort but unfortunately lost the one day final against Heidelberg who were too experienced and played extremely well.

We fortunately rebounded from the one day final loss and won our next couple of games and finished the season on top of the main ladder. As captain this was an amazing effort especially with the experiment of the kids we played through the year.

There were some other performances during the season which should be highlighted, fielding isn't one of them.

Ryan Harnett maiden Century against west Heidelberg ( future leader )

Also great job with the gloves buddy.

Darren Butterworth's back to back half centuries which lead us to victories

Jeff Wilson's bowling all year an amazing effort, match winning 50 in the semi final

Rowdy superb once again (see grand final report)

Dlo improving every year with the ball and first A grade fifty.

Arjuns 80 against Veiwbank great achievement for a 16 year old

Andrew Clapton maiden 50 in A Grade and becoming a top order batsmen huge year coming up for you spudda

Paul Davis took every chance he had bowled fantastic and made runs wherever I put him. Well done Mate.

Steve pinner opened 80% of the year for me and did the job on numerous occasions. Never seen a batsman so unlucky, stay positive.

We played a lot of kids throughout the season and tried to fast track there development, by the end of the season there were promising signs for the future of the club

Overall our bowling was the backbone we always knew we could bowl sides out with whatever target we put on the board. Rowdy & Joffa were outstanding with 30 plus wickets for the season. Dlo was also superb always ready to bowl when needed and always backed himself when batsmen were attacking him. After Xmas PD come in and gave us the variety we needed, he never looked back and wasn't scared to say a few things to the batsmen which I love.

**Fielding** As discussed earlier our fielding had its moments but it was pleasing that we worked hard on it and never gave up. Butters was outstanding all year in the slips and outfield, as was joffa and dlo.

Semi Final Banyule vs Rossana

DAY 1

Its time the real stuff has arrived finished on top of the ladder but doesn't mean anything now. Been nervous all week but once Saturday arrived a very relaxed atmosphere in the dressing room and we all knew it was the awakening of the bear. Played Rosanna twice during the season for one loss and a washout so it was always going to be a tough assignment for us. Won the toss and batted and

were in trouble early 2 for 3 and spudda and myself put on 70 before losing quick wickets before tea and were 5 for 100. Didn't get much better after having Steve pinner's famous chocolate muffins for afternoon tea we were in heaps of trouble at 9 for 167. Joffa was due and made a fantastic unbeaten 57 and a valuable contribution by Dlo for a 35 run partnership which took us to 201 all out.

## DAY 2

After a great night sleep (NOT) we needed quick wickets early to keep the cockiness out of the green & yellow camp and we did. Wickets in the first 2 overs and then a couple before tea put us in a good position at 5 for 85. 2 quick wickets after tea had them 7 for 90 and we were in control of the game. Typical Rosanna they fought all the way and put on 50 runs for the 8<sup>th</sup> wicket before PD struck with the ball and then Spudda threw the stumps down from side on GAME OVER see ya Rosanna. Butters took one of the best catches in slip I have seen for a long time.

## Grand Final

### Day 1

Rain delayed play the first week and we had to come back and play the next week on Saturday and Sunday. The pressure was on with the toss of the coin, 20 of the last 23 Grand finals have been won by the team batting first. Cool as a cucumber called heads and selected to bat. Ryan and pins opened proceedings and unfortunately things didn't go to plan losing 2 wickets in the first 3 overs. However we started to knuckle down and things were looking good at 3 for 97 before we lost 2 wickets in five balls Wilson (27) O'Connor (58). 5 for 97 became 9 for 132 and there wasn't many happy faces looking on from the pavilion. Rowdy decided to open up and cut loose and made an important 28no with great support from Tom Woodmen in his first grand final looked at ease from the other end. Typical banyule partnerships never give up. We were dismissed for 158 and were quietly confident of knocking them over.

Rowdy was fired up and delivered a huge blow in the first over claiming the wicket of Singh who took us apart in the one day final. Joffa was brought on early and in typical joffa fashion picked up 3 wickets in 3 overs to have Heidelberg overnight on the ropes at 5 for 45.

### DAY 2

Another sleepless night for the boys and once again the mood was great and we knew something remarkable could be achieved. Once again rowdy struck early trapping Gardner on the pads and up rooting the stumps of Branagan, the bergs were in dire straits at 7 for 55. Enter Cashen and Smith this was going to be the hardest partnership of the game they both were looking good and hitting the ball well. Decided to throw the ball to PD and as Larry does picked up the crucial wicket once again and the bergs were in heaps of trouble. A couple of boundaries to Cashen had their spectators cheering but not for too long as Rowdy said this is my GF and cleaned up the last 2 wickets.

Usually do I single players out but Rowdy's bowling was superb (6for34) and will be spoken about in many years to come. Joffa's effort with the bat and ball was first class as well.

Thank you to Martin Phillips, committee and all the players this year for your support, it's been an exciting year for the club and I'm just lucky enough to captain an amazing group of players. Well

done to Scott butler and third grade on your success and a terrific job by Butters and Dlo on the coaching the club.

A special thank you to joffa for all of the support you gave me, never will I forget it.

Let's not wait 6 years for another flag be hungry for more success

Brent O'Connor – Captain 1<sup>st</sup> Grade

**SECOND GRADE REPORT**

Season Review.

With the change in personnel from within both the 1<sup>st</sup> and 2<sup>nd</sup> grade sides from the previous season, the 2008/09 season was going to be a transitional period through the development of the younger brigade from within the two top grades. The outlook taken on the 2<sup>nd</sup> grade was exactly that, to develop the younger players for the growth of the club across the next 3-5 years, with the results to take care of themselves.

Overall the season can be viewed as a success for the club, not only by the results that we achieved where we were sitting top at the half way point and ended up 3<sup>rd</sup> in both the One Day Comp and the overall season, but the individual performance's and development of particular players. So to have younger players who either played there first game in the 2<sup>nd</sup> grade last season or their first one this season, to then go on and represent our first grade is the key measure of success (outside a premiership) that was the most pleasing as captain. Such players as Tom Woodman, Marcus

Kernaghan, Arjun Arora, Matthew Hodges, Sam Norman, Joseph Serafin and Garrick Melton were presented their opportunities in the 1<sup>st</sup> grade, through both commitment in the pre-season training and their on field performances, which in the years to come will hold the Banyule Cricket Club in good stead.

When focussing on the development of the players within the 2<sup>nd</sup> grade, certain players showed strength in their character to not only improves as players and their own skills, but as valuable members of the side. Matthew Hodges was certainly one of those, who developed throughout the year as our opening bowler and displayed consistent performances to end up with 17 wickets @17.94 and played his first A grade game later in the year, so well done to Matt.

Mick Delaney also displayed throughout the year that he will be a valuable member of the club moving forward with 12 wickets (inc Hat-trick), 125 runs and 6 catches, which was a good breakout year for which he can build on. Mick's enthusiasm at all times was a great boost to the side and was never more evident then when we were fielding and perhaps the game was not going our way, of which his ability to create pressure through his actions and his vocal support was exceptional and why he was awarded our fielding award. Sticking with the Delaney theme, Luke also had a strong year showing exceptional skills as a wicketkeeper. With 14 catches, 1 stumping and a run out, Luke will develop into a good player for the future, as he can develop his batting into being a good middle order hitter. The highlight was the stumping he took standing up to his brother against Ivanhoe East, which displayed that he is a future 1<sup>st</sup> grade wicketkeeper.

Other players to mention are Sam Place (167 runs) who opened the batting all year and with further technique adjustments had the ability to put pressure on receiving 1<sup>st</sup> grade opportunities and Tom Woodman who in his brief appearances showed the ability to be a strong top order batsman with further development and a damaging fieldsmen. As an all-rounder, Marcus Kernaghan in his 9 matches made 186 runs @ 26.57 and took 17 wickets @ 13.06 (inc. his first 5 wicket haul) was also a good performance.

From the team results, the two wins against Edinburgh where the away game was played on the worst conditioned oval seen in a long time and the outright win at home (in front of a fired up Banyule crowd), the dominant away win against Ivanhoe East and the away win against Heidelberg were the real highlights.

Although we were clearly outplayed by an experienced outfit in the semi-final, the 2<sup>nd</sup> grade team and all of those involved throughout the year can be proud of their performance and come out more prepared for what's ahead next season knowing where we need to for strengthen our performances.

I would like to say as captain, I thoroughly enjoyed the year and the opportunity presented too me in leading such a committed team throughout the year. To Paul Davis who was my Vice Captain for the first half of the year, until his outstanding performances with the bat and ball demanded he be selected in the 1<sup>st</sup> grade, thank you very much. Prior to being promoted, PD took 17 wickets @ 15.71, 8 catches and made 308 runs @ 44.00 to take out the batting average and was once again dominating the competition.

Thank you very much to Marty Phillips who consistently provided support and advice in PD's absence and in his role as club President, the support provided by the coach in Darren Butterworth

and the 1<sup>st</sup> Grade captain in Brent O'Connor, along with the things that others don't see from Phillip Barnes in ensuring the scores are entered onto the website and various other items.

Let's build and develop on what was a good season for not only individuals, but the team and the Banyule Cricket Club.

Michael Johnson – Captain 2<sup>nd</sup> Grade

## THIRD GRADE REPORT

***At the start of the season a group of long time mates decided to play together and have one last summer in the sun and try to win a premiership together.***

***So the journey began way back in October 4 2008 with the following results.***

### **Round 1 – Win**

Excellent game for B.Sier making 25 and taking 4/19. The only down point from this was that Billy was playing mid week tennis and snapped his achillis and he played no further part, unfortunately.

### **Round 2 – Win**

Great partnership between Scobby (39) + D. Veal (44)

### **Round 3 – Win**

Supper innings by Pricey (87), Scobby (71) and goods bowling of Philo (4/41) off 20 overs.

### **Round 4 – Win**

D. Veal another great game taking (3/24) and making 50.

### **Round 5 – Draw**

Washed out 2<sup>nd</sup> day but a excellent partnership of 127 by Scobby (105) and Cam McDonald (50)

### **Round 6 – Win**

Excellent team effort

### **Round 7 – Draw**

Interesting Umpiring by Philo (3 LBWS)

### **Round 8 – Loss**

Out played – but it's Christmas and time for a break.

### **Round 9 – Win**

Back on board with Fez making his first century (103 NO)

### **Round 10 – Win**

Fantastic batting by Renna (36), C McDonald (86 NO) and T Veal (20 NO) getting us across the line.

### **Round 12 – Win**

Good bowling by Fez (3/17\_ And M Asbury (2/27) and batting by Renna (60 NO)

### **Round 13 – Win**

This is the game I knew we could win the premiership – team effort

### **Round 14 – Loss**

The loss we had to have – Sorry but I love Lake Eildon.

### **Semi Final – Win**

Superb bowling by Fez (4/38) G Clapton (3/40) and a great innings of (82) by Price got us into the Grand Final.

### **Before I do my Grand Final report I would like to thank a few people.**

- Marty and the committee for there support
- The coaches from Joffa, Dasha, Occa and Daniel for the work they did from the start of the year to the end.
- To Johnno and Graham with their help in selection each week.
- To all the guys who filled in through out the year especially Jed, the guys who played at Bellfield and Graham and Feroze in the semi final win – thank you very much
- Big thank you to Callum Asbury for all his sub fielding efforts all year, very much appreciated
- I would like to congratulate everyone in A grade on winning the flag
- And finally would like to congratulate our award winners
  - Batting and Bowling – C. Carroll (my Vice Captain)
  - Fielding – M. Asbury

### **Grand Final Report**

So it came down to this 1<sup>st</sup> v 2<sup>nd</sup> and the 2 best sides in the Grand Final. We had many people having us as under dogs – but not in my belief.

### **1<sup>st</sup> Day**

Wash out with both captains agreeing to come back the next day.

## 2<sup>nd</sup> Day

A much brighter day and no water on the pitch, was a good start. Next we won the toss and decided to bat which was all positive. But before most of the crowd could settle down to have a beer or hot chocolate we were 5-60 and looking down the barrel, with only Pricey making a good hand of 32.

Next came a match turning stand of 80 between Dave (24) and Fez (70) who definitely turned the game for us. With Tim chipping in at the end making (18), we ended up with 174 and 14 overs to bowl to them. With Philo coming from one end to Fez the other I had confidence that we could get a couple of early wickets which we did having them 2 for not many at the end of the day. Giving us a huge boost for next week.

## 3<sup>rd</sup> and Final Day

With plenty of confidence we got of to a great start with the younger guys leading from the front with their voice and fielding with wickets falling at quite regular intervals the pressure was building on Bellfield. Our fielding was superb with Josh and Mick taking fantastic catches, With all 4 bowlers doing a fantastic Philo (3/51) Fez (3/23) Dave (2/21) and Tm (2/10) who also got the last wicket and finishing what we had talked about 6 months earlier.

I would like to thank Nick Bates for being 12<sup>th</sup> Man and Skull for scoring.

Finally I would like to thank the 10 blokes below who made this a fantastic year and as I said on the last day no one can take this away and you all are premiership players.

**C. Carroll (V.C) and Man of the Match, M. Price, M. Asbury, W. Kazi, M. O’Ryan, D. Veal, T. Veal, P. Barnes, J. De.Stefanis, A. Mullholland**

We stuck fat and we WON!!!

S Butler – Captain

## FOURTH GRADE REPORT

### Season Review

We had a reasonable year finishing 2 games out of the four and missing finals for the first time in a long time. With an even mix of youth and older players we set ourselves the task of enjoying our cricket and to win as many games as possible. The most pleasing thing for me as Captain was the opportunities given to our young crop of players to be just not fill-in players but players that we could rely on to have an impact on the game while at the same time learning their craft. James Fraser 15 wickets @ 15.67 improved his bowling to become our leading wicket taker and with our spin twins James Alexandrov 12 wickets and Lindsay "Gordo" Russell 8 wickets we had plenty of options. These boys will only get better with plenty of practise and opportunity's to improve and become vital Banyule players in years to come.

Our batting with Ralph out for most of the year placed the focus on the rest of team to perform and with Ian Cugley 277runs, Brian Wallwork 224, Craig Hunniford 221 and Feroze Chowdry 215 relieved some of the pressure but Ralph showed what we were missing in the 4 games he played with 273 runs including a century, he is a true master of the craft. With our bowling some of our juniors also showed what bright futures they have with Jordan Samad, James Alexandov and Nick Bates putting in strong performances throughout the year. But who could go past Gordos final match of the year when he made his top score 20 and produced his best bowling figures 3/58,"Well Done Gordo".

Our fielding was not our strongest with plenty of slow moving oldies in the team but we were lucky to have James Samad for a few games and he lifted our fielding up a few levels. Jordan was elevated to the A Grade side for the Grand Final as 13<sup>th</sup> man on his fielding so well done. Mark "Funky" Pengilly provided plenty of entertainment behind the stumps and was always encouraging the bowlers to aim for "Uncle Marky" which helped when things were getting tough.

As Captain you need help on and off the field so I would like to thank Brad"Skull"Russell with his advice and scoring duties, Funky for never failing to volunteer to either central or square leg umpire when no one else would and for those who helped out when we were short of numbers.

Congratulations to our trophy winners Feroze Chowdry Bowling Award, Brian Wallwork Batting Award and Mark Pengilly for the Fielding Award. The fielding Award is the Captains choice and in awarding it to Mark I took into account his help off the field as well as his continual encouragement to the team which deserved recognition .

As I have announced my retirement there are too many people to thank for making cricket at Banyule enjoyable over my 11 years, but I would like to thank Ralph, Craig and Feroze as these are the ones that I have spent most time with over the period together. I will be enjoying my time watching Scott and Andrew from the decking represent Banyule with the occasional glance over the shoulder to see how 4<sup>th</sup> Grade are going. Keep up the good work everybody as this is a truly Great Club.

Finally congratulations to Occa and his 1st Grade players on their decisive win over Heidelberg and to Butts and his 3<sup>rd</sup> Grade Dream team on their premiership success, it was nice to play a small role in their success.

### Graham Clapton – Captain 4<sup>th</sup> Grade

#### Batting Averages - 4<sup>th</sup> Grade (Qualification - Bat in 7 Innings and Score 200 runs)

## UNDER 15 GOLD REPORT

Banyule U/15's - 2008/2009

This season will be remembered for the number of matches that were either washed out or not completed due to the bizarre weather that seemed to arrange itself for Friday afternoons.

Despite that the spirit that the boys trained with, and we did our fair share of it, was generally outstanding, as was their attendance at training.

Once again, at the start of the season our expectations as a team were to bat as long as we could and score enough runs to give our bowlers a score to bowl at and protect when in the field. Bowling a good line and length, and limit the number of extra deliveries by minimizing no-balls and wide deliveries was high on the agenda.

Our batting in the season perhaps wasn't as solid as the previous year. Although both Michael Italia and Nick Gillies scored 50's. On several occasions scores in the teens weren't converted to larger totals by our top order batsman, and too often we lost multiple wickets together and failed to build partnerships.

Our fielding and catching improved, despite having to play on "The Cabbage Patch"! The teams fielding will benefit greatly with the dramatic improvement to the outfield of the Beverley Road Oval. Next season our ground fielding and catching should aim to reach another level with further improvement in this area.

Once again gaining a feel for the distance you need to be from the batsman in various positions was a challenge. This combined with having to field in different positions demanded that the boys had to concentrate and stay alert when fielding.

Due to the large numbers of games not completed, our match day learning was limited, however several of the boys made themselves available to play senior cricket on Saturday's. This will prove beneficial to their learning and increase their opportunity to participate.

The outstanding performance of the season was against the eventual premiers Heidelberg, in the Round 3 clash.

With some excellent line and length bowling Banyule limited the talented Heidelberg team to a score of 109 of 24 overs. James Alexandrov (3/17 from 4 overs) and two excellent catches by Oliver Grant led the way. Banyule, despite a slow and steady start nearly stole the match with a score of 5/103 in reply. Jonathon Sammut 23, and Michael Italia 26. With an ounce of luck and some initiative to run hard between the wickets a victory against our neighbours may well have been achieved.

Congratulations to Jordan Samad, Michael Italia and Bradley Moore on represented Banyule playing in U/14 Russell Allen Shield -VMCU Carnival for the H.D.C.A.

Many thanks to Luke Entink, Craig Bates, Steve Taylor and the parent group of the Banyule Under 15 Gold team for your assistance during the season. Luke and Craig for there contribution with the U/15 Green team and to Steve Taylor who stepped into coordinate the 15 Gold team following some changes to my work schedule.

Congratulations to the following boys who topped the averages;

- Batting: Michael Italia 31.00
- Bowling: Michael Italia 14.00
- Fielding: Jordan Samad

Many thanks for an enjoyable season!

Regards

Darren Tindale

## UNDER 13 GOLD REPORT

Our Under 13 Gold team;

Gayapersad, Alexander  
 Gayapersad, Frazer  
 Pederick, Daniel  
 Jones, Marcus  
 Clifford, Timothy  
 Roberts, Timothy  
 Dundovich, Michael  
 Veal, Jack W  
 Jones, Jeremy

Oudy, Luke  
 Moran, Jeremy  
 Gayapersad, Nicholas

2008/09

Once again David Veal and I had the privilege of coaching a great group of young men, all of whom represented the club with a great deal of pride and enthusiasm.

At the start of the year we focused on a few team goals;

- To have a great time with our mates
- To improve
- To develop new skills and to challenge ourselves.
- To represent the club to the best of our ability.

All these goals we attained,

Although success was hard to come by in terms of wins, the year was an outstanding success. All games were competitive, and once again this team was easily the best fielding team in the competition.

A standout feature of the season was the way in which the boys approached training, every session was completed with enthusiasm with our guys being terrific role models for the younger player.

Thank you to everyone who helped out this year. We are all looking forward to seeing these guys progress to the next level.

Mark Jones

## UNDER 13 GREEN REPORT

What a year we had. To all the boys that played during the season - well done! The most pleasing aspect from my point of view was the commitment shown by all the boys at training and game days, and that resulted in us losing just the one game for the season. To judge that one loss would be an injustice to the boys. They have shown continued improvement and it is that improvement I wish to talk about, - in no particular order.

**Brayden Sier** Batting was fantastic. Continue to work hard be committed and the success will come your way

**Adam Samad** All round contribution was outstanding; keep listening.

**Jackson Jones** Great endeavour and will only get better

**Brad Laws** keeps on improving

**Nathaniel Mancev** will only get better

**Mitch Brown** Batting and keeping was terrific, unquestionable fighting qualities, be patient

**Calder Wallace** kept learning all season and showed great improvement

**Callum Asbury** great finals effort

**Harry Thompson** good listener; will only get better

**Zac Tolley** contributed to the team in all facets, well done

**Ryan Malcolm** great fielding, batting and bowling improving steadily

**Ethan Knight** Bowling was outstanding,

Five of the above boys tried out for the rep team with Brayden and Ethan being lucky enough to be selected.

As the coach it is my aim that all the boys continue to improve in all areas, to help them fulfil their dreams, and to give them the opportunity to reach an achievable skill level. Banyule Cricket Club's infrastructure could not be any better - eg; good training facility, match day ovals, support and above all a pathway to all boys willing to accept the challenge and be better cricketers.

Finally, I would like to thank the Cricket club for the support given throughout the year and to all the parents whose wonderful contribution throughout the season played such a vital role to our success. The boys need that shoulder at times, as we know that it doesn't always go to plan. I hope and trust this is the start of something special for these boys and I look forward to next year.

Russell Laws

Coach

## KOOKABURRA'S UNDER 11 BLUE REPORT

Under 11 Blue

It was quite a challenge this year to try and co-ordinate a team that consisted of ( sometimes 15 players) and try and give everybody even time in the middle. I hope we are able to do that in you, the parents eyes.

We had 6 first year players this year them being Luke McGuiness, Ethan Appleby, Bryce Gardner , Nick Farley, Josh Broomhall and Jacob Cumming and they all fitted into their new team and roles perfectly.

It was a pleasure to see the kids from last year improve their skill levels and that i can assure you gives a coach the greatest thrill. Every player played their part in our victories last season and this is a compliment to the team as the year before we only won one game, last season we only lost one game and that was by a handful of runs.

The game this year was played differently than was required to be, in that we played on a full pitch and we no-balled anything that bounced twice ( unlike some other teams). The pleasing thing about these changes were that it did not take long for the team to pick up on these changes and adapt accordingly this will in time benefit them greater in the long run. Our general fielding was a pleasure to watch, with getting knees down and backing up the bowler or keeper instinctively Batting was another challenge we had to face as the team were a year older , watched to much tv , knew how to play every shot and tried to smack everything out of the ground that came their way, but once we settled them down a bit they all batted extremely well. Testament to the fact was that we made 209 in one game. 200 in one game is unheard of, so congratulations to you all.

Congratulations to our trophy winners:

Bowling Award : Jack Parrant,  
Batting Award : Bailey Neilson  
Coaches Award : Sam Harrington

I would like to thank all the kids and parents who participated this year and helped make it a fun environment. It was great to hear the kids ( and parents) barracking for the team from the boundary during the games , it made it all worthwhile i can assure you of that. I've enjoyed the friendships that were formed and the boys support for each other , their manners and good sportsmanship was a pleasure to witness.

I would also like to thank Mark and Corey Parrant for their help this year, without them it would have been impossible to get this team up and running.

My final thank you is to Geoff Place for his continual work organizing training and games for the kids without him we would be lost.

Thank you

Fraser Neilson

## KOOKABURRA'S UNDER 11 WHITE REPORT

### Under 11 Kookaburra White

It was a great year in total for the boys, with all of them playing their first season of cricket. Despite us being the youngest team in the competition we only lost 3 games, winning the other 3 and the final match being a draw due to a washout. The boys showed great team spirit and a positive attitude towards the game. All of the boys contributed to the team; they were a pleasure to coach and I look forward to seeing them fully develop their skills in the future.

There were wonderful displays of cricket from all of the boys. Every single boy has improved dramatically over the course of the entire season. Despite being beaten convincingly by Heidelberg in the first round the boys were determined to redeem themselves the next match; they did just that by winning the game before break. With Conner Tolley, Tom Roberts and Harry Barnes each taking two wickets, and several other players doing extremely well in the field and with the bat.

With so many memories from the season some are really worth noting;

Will MacEwan And Kye Yodgee – In our second last match with only a few overs to spare and still with a reasonable target in sight, Kye and Will reached it easily, Will scoring 10 not out and Kye making 8 not out, to take us to a thrilling win against West Ivanhoe.

Tom Dillon’s First Match – Tom Dillon had joined our team just after the Christmas break. In his first two overs he didn’t manage to take a wicket although he came so close, in the last over of the game Tom took his first wicket, since then he has shown he can bowl accurately and took wickets in most games

Pat Kennedy – Our youngest player who can turn the ball at such a young age he has a very good bowling career ahead of him.

Shlok Saraf – Who did a bit of everything on our second match, Made 6 runs with the bat, Took 1/0, decided to keep and took a catch behind the stumps, then in the field he took a catch at Mid off.

I would also like to mention Matt Kennedy, Jason Mack, Matt Harte, Tom Roberts, Conner Tolley, Harry Barnes, Matt Jeffery who participated every match and improved dramatically throughout the course of the season.

Also finally a big thank you to all of the parents who helped me throughout the year whether it was picking me up from the bus because my dad had a meeting (thanks Nick Roberts), or helping me set up , assist with training and scoring during the matches (thanks especially to Mick and Karen Harte, Jason Kennedy, Laurie Barnes, Ross Jeffery, Steve and Kendra Tolley, Nick and Megan Roberts to name a few). It’s much easier to try and control 12 kids when you have such a great group of parents helping you with everything you do.

Finally I’d like to thank my dad for driving me and giving me some helpful tips.

I’m looking forward to seeing all the boys again next season!

Jed Place

## MILO IN2CRICKET REPORT

### Milo Report 2008-2009

To quote the catch phrase “it’s marvellous what difference Milo makes”, could not be more true of the first “Milo Have-a-go” program for children aged 5-8 we ran at Banyule CC this year.

A very successful and fun year was had by all. We had a total of 26 children register in the program, and by the end of the season each and everyone of the kids showed a remarkable improvement in skills and understanding of the game of cricket. It was great to have 4 girls enrolled in the program (who knows maybe the bearettes could be a team of the future). The emphasis of the year was all about learning the basic fundamentals, batting, bowling and fielding whilst having as much fun as possible. A goal I believe we achieved quite easily, whilst the games we played were very competitive, as evidenced by each game somehow ending in a draw (must be my accounting background to always balance the books) the kids had a great time.

I would like to extend a special thanks to the guys that helped out with coaching throughout the year, Martin Veal, Andrew Parry, Greg Anderson, Phillip Barnes, Billy Sier, The Carroll brothers and of course my sidekick Feroze “the Beast” Chowdary.

I’m really looking forward to next year and going forward I’m hoping to see many of the kids develop into members of our junior program and hopefully one day play in our senior sides.

Go Bears

Brad Bowler
